Welcome to High School

As the year 7 advisor I would like to take this opportunity to welcome students and families to the Wiley Park Girls High School community. I am excited to be leading the year 7 students into their high school journey.

We have had a successful first 2 weeks with each student quickly learning to read a timetable and finding their way around the school. The girls have adapted well to high school life. Many students have made new friends and become acquainted with our friendly and caring staff.

This weekly announcement will help me to stay in touch with parents and guardians. I aim to communicate with you through this newsletter, so please keep an eye out for it each Friday. It will be sent home with the students and a copy is posted to our website for your information. http://www.wileyparkg-h.schools.nsw.edu.au/home

We had out first year assembly on Tuesday and the girls were asked to nominate themselves to form an assembly committee. This committee will be in charge of running the year assemblies. We have many interested students, thank you.

This weeks assembly was an introduction to school life at WPGHS. Mr Mitchell, the Deputy Principal spoke to all of the girls in year 7 about how our discipline system works.

The coming weeks will bring with it some exciting calendar events such as school photos and the swimming carnival. Please check 'The week ahead' on the left of this page for more details.

The girls found out it was my birthday during the week and I was overwhelmed with all the birthday wishes and kind words. Thank you, I really appreciate it.

As the year advisor I am the first point of contact for your daughters at school, but I would like to extend that line of communication to parents and guardians. You can reach me at school by phone on 97595849 or via email, larelle.gorman@det.nsw.edu.au
